## FUNERAL PARTICIPATION OFFER

Following discussions with Ambulance Victoria, your Association has established a funeral service participation plan.

The Association offers a eulogy on your service career as well as a number of additions to highlight your involvement with Ambulance.

Our thoughts are that the event itself can be made easier for your next of kin if they are aware of your wishes when funeral service plans are being made.

In order for us to make preparations, we would like ascertain your wishes in relation to the list on the rear of this form. We would also like to gather some information on your career to assist our eulogy.

Please return the completed form to our Secretary which will be retained until necessary. If you would like to change any of the details, please contact our Secretary at any time.

*Ray Loughheed*

President
