

Central & Northern Victoria District

Tuesday 28th February

Our first meeting of our Central & Northern District was conducted at the Bendigo RSL and with 12 Members and Guests attending including Secretary, Ian Cameron, Committee Members Les Wood and John Clancy.

The general feeling was very positive and with another meeting proposed for June we look forward to this being a viable and increasing active base for members in this area.

We welcome new Members, Peter Briscoe, Graham McRae and lean Lewis to our ranks and hope to see more new faces in the future.

Many great memories were shared and we look forward to more of the same.
