

At our April Meeting held at the Geelong RSL, Belmont, it was great to see all members who had time to come and join us for lunch. We had a total of 14 members in attendance.

Our update meeting in the Boardroom was short and with the briefing of the ongoing developments with Foresters Death and Distress Fund. It was noted that several Members' details have changed or are out of date. If Members change residential, postal, email or other contact details please advise RAAV so that we can remain in contact.
