

Ben Ellis

My name is Ben Ellis, I have been RAAV Treasurer since October 2019.

Prior to joining Ambulance Service Melbourne (ASM) in 1981 I'd spent 20 years in the Banking Industry to Accountant level.

My Ambulance career has been as follows:-

I had 15 years working with ASM/MAS as an Ambulance Officer/ Clinical Instructor, I then transferred to the Ambulance Officers' Training Centre for 2 years teaching under the Advanced Diploma of Health Science programme

I also worked for 10 years as a Lecturer in the DAPS & Bachelor programmes at Monash University.

After leaving emergency ambulance work/teaching I then worked for 5 years as a casual in Non -Emergency Patient Transport (PSV).

I am a keen supporter of the direction our new committee is moving which is to serve our members in the best possible way.
