Hi,

Blue Light Card originated in the UK to support frontline workers, with a membership there of 5 million people. Australian eligibility includes Ambulance, Police, Fire, Healthcare, SES, Surf life Saving Australia, Coast Guard & Search & Rescue etc.

TRAAVI have successfully secured and are now able to offer our members a **FREE 2-year membership to Blue Light Card Australia**. BLC's exclusive benefits provides you instant access to a range discounts from hundreds of top Australian brands, tailored specifically for first responders.
